Castle Rock High School Jazz Band

The Castle Rock High School Jazz Band meets at 7:15 a.m. every other day and is made up of the school’s most advanced band students. This group provides most of the district instrumental music program’s community outreach, playing concerts in Ryderwood and giving the “Concert in the PARK-ing lot” at the Castle Rock Senior Center. They study a variety of jazz styles and work on improvisation. The band is excited to be a part of LCC’s Jazz Night.

Joe Boertmann

Joe Boertmann is originally from Southern California, where he worked for the Pasadena Unified School District, co-founding their “All-Star Marching Band,” a district-wide group of 6th-12th grade students. After earning his Bachelor’s degree in Music Education from Pacific Lutheran University, he joined the Castle Rock School District.

He has performed with Shania Twain at the Hollywood Bowl in Los Angeles, and was part of a cultural exchange to China, playing public concerts. Boertmann performs with the Lower Columbia College Symphonic Band.
