What is it?
An opportunity for students to complete one application for admission to WSU Vancouver and Clark College (Clark) or Lower Columbia College (LCC). This program is open to all transfer programs at WSU Vancouver.

Am I eligible to participate?
Domestic undergraduate students with 60 quarter (40 semester) or fewer transferable college credits are eligible to participate in Co-Admission. (Exception: WSU Vancouver Engineering and Science Institute students, regardless of number of credits, who still need lower-division course work are eligible to participate.) All other students should follow the standard WSU transfer application process.

What are the benefits?
- One application process for both WSU Vancouver and Clark or LCC.
- Guaranteed transfer admission to WSU Vancouver for Clark or LCC students who complete the program of study and satisfy all requirements. Note: the Co-Admission Program is between Clark, LCC and WSU Vancouver only.
- Degree program requirements “locked in” for eight years.
- Advising from both institutions.
- Greater efficiency in completing degree requirements.
- Access to services at both the community colleges and WSU Vancouver, including: Libraries, Computer Labs, Fitness Center, Student Clubs and Activities, etc.
- Waiver of the $38 application fee for Track A or Track C.

How do I apply?
See "How to Apply" section below. Contact the Office of Admissions at either WSU Vancouver (360) 546-9779, Clark College (360) 992-2107 or LCC (360) 442-2311 for more information. Application packets are also available via the web sites listed below.

What is the deadline to apply?
Applications for the Co-Admission Program are accepted anytime. Applicants to the WSU Vancouver Engineering and Science Institute should apply by February 15 for priority consideration.

WSU Vancouver Engineering and Science Institute
If you are applying to the WSU Vancouver Engineering and Science Institute, please note that admission to the University is separate from admission to the Institute. Institute students must be calculus-ready, as defined by program and ready for
college-level English composition and reading. A year of high school chemistry, or a chemistry preparatory course, is required for biology majors. A year of high school chemistry, physics or a preparatory course in either is recommended for engineering and computer science majors.

Please include your pre-college placement test scores in reading, writing and math if you are just beginning college or if your official college transcripts do not reflect the necessary prerequisite courses. For more information on prerequisites or placement testing, please contact one of the following Institute Coordinators: WSU Vancouver, (360) 546-9779; Clark College, (360) 546-9135; Lower Columbia College, (360) 442-2357.

How to Apply:  
Note: If you are applying to the WSU Vancouver Engineering and Science Institute, you may qualify for Track A, B or C; please read each Track description below carefully. All other majors qualify for Track A or B only.

Track A: You have completed 40-60 quarter transferable college credits at the time of applying for Co-Admission. If you are a current Running Start student, see “Track B” below.

To apply for Track A, you must submit the following items:
• The application form, signed, and dated.
• Official transcripts from any college you have attended.

*Note: Your Clark or LCC transcript will automatically be sent to WSU Vancouver.

If you are applying to the WSU Vancouver Engineering and Science Institute, please see important prerequisite information under “WSU Vancouver Engineering and Science Institute” section above.

Track B: You have completed fewer than 40 quarter transferable college credits at the time of applying for Co-Admission. Running Start students who have not yet graduated from high school must follow Track B Admission Steps.

To apply for Track B, you must submit the following items:
• The application form, signed, and dated.
• Check or money order payable to “Washington State University” in the amount of $38.
• Official transcripts from any college you have attended.
• Official high school transcript.
• Successfully complete the following high school core requirements by your high school graduation date:
  English—four years, including at least three of composition and literature.
  Mathematics—one year each of algebra 1, geometry and advanced algebra; a fourth year is recommended.
  Science—two years, including one year of lab science (biology, chemistry or physics).
  Foreign language—two years of a single foreign language, other than English, including American Sign Language.
  Social science—three years.
  Arts—one year in fine, visual or performing arts or an additional year of the courses listed above.
• Official SAT or ACT score (sent directly from the testing agency).
• Personal statements.

*Note: Your Clark or LCC transcript will automatically be sent to WSU Vancouver.

If you are applying to the WSU Vancouver Engineering and Science Institute, please see important prerequisite information under “WSU Vancouver Engineering and Science Institute” section above.

Track C: You are applying to the WSU Vancouver Engineering and Science Institute, have more than 60 quarter transferable college credits, and still need to complete lower-division prerequisite course work.

To apply for Track C, you must submit the following items:
• The application form, signed, and dated.
• Official transcripts from any college(s) you have attended.

*Note: Your Clark or LCC transcript will automatically be sent to WSU Vancouver.

Since you are applying to the WSU Vancouver Engineering and Science Institute, please see important prerequisite information under “WSU Vancouver Engineering and Science Institute” section above.

Please provide a copy of your test results with this application.
FOR FRESHMAN/TRACK B APPLICANTS ONLY - HIGH SCHOOL EDUCATIONAL BACKGROUND:
Complete this section regardless of the number of college credits earned before high school graduation.

47. On which system does your high school operate? ☐ Quarter ☐ Trimester ☐ Semester ☐ Block System

48. Senior Year Course Work - Current high school seniors must complete the section below.
List all the courses you are taking and plan to take in your senior year (grade 12) and in the summer (if applicable). If your plans change, notify the WSU Vancouver Office of Admissions. For each course, write the course title and number of units. (These are high school units, not college credits; usually 1 unit = 1 full year, 1/2 unit = 1 semester and 1/3 unit = 1 trimester.) In each column in which you have recorded course work, also check semester or trimester or other, depending on the system your high school uses. If you are enrolled in a traditional semester system, record senior -year course work only in columns 1 and 2. Use Column 3 to record course work taken either: 1) during summer school between your senior year and freshman year in college or 2) during the third term if you are attending a school on a trimester or other system.

Running Start and College-in-the-High-School participants: Include any Running Start (RST) or College-in-the-High-School (CHS) courses taken or to be taken in your senior year. Write the initials “RST” or “CHS” after the course name. Use Column 1 for courses taken during fall quarter, Column 2 for winter and spring quarters and Column 3 for summer quarter.
