The Title IX Equal Opportunity Officer and Section 504 Disability and ADA Coordinator is Lisa Matye Edwards. Her office is in the LCC Admissions Center, Room 159; her telephone number is 360.442.2301.

To request accommodations for a disability in the application process, students should contact the Disability Support Services office in Admissions Center Room 143 at least three days in advance: voice 360.442.2341, TTY 360.442.2344, or email mmorgan@lowercolumbia.edu.

Alternative format of this document is available upon request. Please contact Disability Support Services.

About This Schedule:
Every effort is made to ensure that the information in this course schedule is accurate at the time of publication. The College reserves the right to change its class offerings as necessary. For the latest information, please check the online class schedule at lowercolumbia.edu/classes

LCC mails class schedules to all households in Cowlitz County four times each year to inform residents about college programs and services. Because they are addressed to “Residential Customer,” we are unable to remove individuals from our distribution route. Schedules can be recycled with your newspapers.
New Bachelor’s, First Master’s Degrees Offered At Regional University Center

Three new options for completing advanced degrees through the Lower Columbia Regional University Center will be available to LCC graduates and other area residents in 2015.

Warner Pacific College is bringing three in-demand majors from its Adult Degree Program to the LCC campus — Bachelor of HealthCare Administration, Bachelor of Science in Human Development and the Master of Science in Management and Organizational Leadership, the first master’s degree program to be offered through the University Center.

Warner Pacific College, serving the Pacific Northwest since 1937, has been a pioneer in providing continuing education opportunities to adult students through its Adult Degree Programs. Programs are designed to help people balance work, family and education by offering one subject at a time, one class per week.

Through the University Center, Warner Pacific has partnered with Lower Columbia College to offer LCC students and area residents access to:

Bachelor of HealthCare Administration: Program graduates are ready to provide the leadership today’s health care organizations need to deal with regulations, budgeting, and staffing issues to effectively support the clinicians who deliver patient care.

Bachelor of Science in Human Development: People who want to help change society through work in ministry, human services, or the social sciences can benefit from an understanding of how individuals develop and grow throughout their lives.

Master of Science in Management and Organizational Leadership: This degree is structured to help graduates develop advanced management skills through hands-on learning experiences and study of selected real-world case studies.

Learn more about these Warner Pacific degrees by contacting Vanessa Brown, Enrollment Counselor, or visit: lowercolumbia.edu/ucenter. For more opportunities available through the University Center, see page 8 of this schedule.

LCC Named A National Leader College For Student Success Efforts

Lower Columbia College is one of just 16 community colleges nationwide recognized this fall as a Leader College by the Achieving the Dream organization, a national nonprofit funded in part by the Gates and Lumina Foundations.

“Leader College distinction recognizes the innovative work and dedication to helping our students that is demonstrated every day by LCC faculty and staff,” said LCC President Chris Bailey.

Specifically, the Leader College designation commends efforts at LCC to assist students in completing college math requirements. Historically, the ability to be successful in math has posed a significant barrier for many students pursuing a college credential at LCC and across the nation.

More Students Master Math

LCC math faculty have redesigned the pre-college math curriculum and placement process to increase the number of students reaching college level math. Interventions have included online practice for placement exams, Math boot camps and agreements with local high schools that allow qualified students to move directly into college-level work.

The impact of this LCC-K12 partnership can be seen in a 20 percent increase in the number of recent high school graduates placing directly into college level math instead of pre-college math.

Over the past three years, LCC has also redesigned its pre-college English program to help students move faster into college-level courses; developed a first-year seminar course to provide additional support for struggling students, and created a mandatory orientation for new students help them succeed.

White House Recognition

Earlier this year in August 2014, LCC was recognized by the White House for its student success efforts, including the creation of a unique $1.5 million Student Success Endowment Fund providing $50,000 annually to help an estimated 150 students facing financial hardship to stay in school by covering extra expenses including tuition, textbooks, testing fees, emergency childcare and transportation.

HOW TO REGISTER

Go to lowercolumbia.edu/registration to access the following steps

**Current Students**

Registration begins November 17, for students who have attended LCC within the last year.

1. **Find out your earliest registration date/time** online at lowercolumbia.edu. Student ID Number and Global PIN required.
2. **Meet with your program advisor** to plan your class schedule and get your Quarterly Registration PIN. If you have not received an email listing your program advisor, contact the Entry Center.
3. **Register** online or in person at Registration. Students taking more than 18 credits must register in person.
4. **Pay your tuition and fees** by Friday of the week you register. You may pay online with a credit or debit card or in person at the Cashier. See Delayed Tuition Payment options on page 7.

**Which PIN Do You Need?**

*Global PIN*—Received from Registration. Use to log in for most online services.

*Quarterly Registration PIN*—Received from your advisor before priority registration; also online during open registration. You need a new one each quarter to register for classes.

**New Students**

Registration begins November 24 for new students. Staff assistance and computers are available in the Student Center.

1. **Apply for admission**
   Online or in person at the Entry Center.
2. **Apply for financial aid, if needed.**
   Go to lowercolumbia.edu/finaid for instructions and forms. More information on page 7.
3. **Determine your program**
   Visit the Career Center to take an interest assessment, explore careers, and access career resources. The results will help you choose a program leading to a career that is right for you. At the Center, or from your own computer, print out a copy of the program planner(s) for the program(s) of study that interest you. Go to lowercolumbia.edu/programs.
4. **Practice and take a placement test**
   Students planning to earn a degree or certificate or transfer to a four-year institution need to have skill levels assessed before registering for classes. Placement assessments are given at the Admissions Center testing lab. Testing takes approximately three hours. Recommendations based on your results help you select the right classes. Find practice materials online.
5. **Sign up and attend orientation for advising and to register**
   Make an appointment by contacting the Entry Center. Advisors will be available and you can also register for classes during orientation. Do some advance planning: bring your program planner(s) and placement test scores, browse the online class schedule, and map out the time you have available for classes and studying.
6. **Pay your tuition and fees** by 5 p.m. Friday of the week you register. You may pay online with a credit or debit card or in person at the Cashier in the Admissions Center. If you need more time to pay, see Delayed Tuition Payment options on page 7.

**Not planning a degree or certificate?**

Register at Registration starting November 24. Pay your tuition at the Cashier, pay online or set up a payment plan online.

**Non-credit classes:** Continuing Education class listings and registration information begin on page 37.

### Class Full? Get on the Waitlist!

When a class is full, you may choose to be added to the waitlist. If openings occur through the third day of the quarter (January 7), you’ll be automatically moved from the waitlist into the class. Only students on the waitlist may fill open seats.

Being on the waitlist does not guarantee that you’ll get in, or that a new section will be made available. Tuition and fee charges will not include waitlisted classes until you are registered in them. Check your waitlist status at lowercolumbia.edu/online-services.

ONLINE REGISTRATION & PAYMENT

Go to lowercolumbia.edu/registration to access the following steps

1. Check Your Registration Date and Time
Choose registration date/time. Log in with your Student ID Number and Global PIN. Schedule an appointment and meet with your Program Advisor 1-2 weeks before you register to select your classes and receive your Quarterly Registration PIN.

2. To Register Online
Besides your class list, you’ll need your Student ID Number and Quarterly Registration PIN. For classes that require instructor permission, you’ll need an Entry Code.
Select Register Online. Follow the instructions and complete your schedule. Don’t forget to print your schedule before you leave. If you attempt to register for two classes that meet at the same time or overlap, the computer will block your registration.

3. Pay Your Tuition or Set Up a Payment Plan Online!
Paying online is easy and secure. You can use your credit or debit card to pay in full, or set up an automatic payment plan. If you register online, you can pay at the end of your registration session or return later. See Delayed Tuition Payment Options, page 7.
If you register in person, you can still pay online. You’ll need your Global PIN, received when you register for the first time.
Tuition and fees must be paid by Friday of the week you register.

4. Add or Drop Classes
You may add or drop classes online through the third day of class. Select Register Online. Follow the instructions for adding or dropping a class. Don’t forget to print a copy of your revised schedule. You can also handle any adjustments to your tuition or fees online.

When can’t I use Online Registration?
1. Continuing Education courses
2. GED/ABE/ESL courses
3. High School Completion
4. Independent Studies
5. Employee waivers, Running Start, or National Guard waivers
6. If you last attended LCC more than one year ago
7. If you are taking more than 18 credits

Online Registration is available
November 17-January 7.

Entry Codes
An Entry Code is a five digit random number issued to students by the instructor of the class as authorization to register for classes requiring “Instructor Permission.” Once you have used an entry code, the registration computer will not accept it again.

Use Online Services
Here are some of the things you can do online:
• Pay your tuition and fees
• Set up a payment plan
• Check tax credit information
• Change your Global PIN
• Print your class schedule
• Print out an unofficial transcript
• Check waitlist status

Tuition & Fees

Resident Students (Column A)
Washington resident students must verify that they have lived in Washington for one year and have established residency in the State of Washington, including US Citizenship. If your residency cannot be determined at the time of registration, you will be required to pay non-resident tuition and fees. Ask about residency at the Registration Office, 360.442.2370. Complete residency rules are detailed in RCW 28B.15.012.

Even if you are not a permanent resident or US Citizen, you may still qualify to pay in-state tuition if you have graduated (or will) from a Washington state high school. Contact the Registrar at 360.442.2371.

Oregon Border County Residents (Column B)
Residents of Oregon Border Counties (Columbia, Clatsop, Multnomah, Washington) for 90 days or more may pay this rate.

US Citizens & INS Permanent Residents (Column C)
Individuals who have lived in the State of Washington for 90 days or more and who are US Citizens or Permanent Residents, as defined by the INS, may pay this rate.

Other US Citizens and Foreign Students (Column D)
Those who are not eligible to pay the “Resident Students,” “Oregon Border County Residents,” or “US Citizens and INS Permanent Residents” rates, above, pay this rate. (See Column D.)

Veterans (Column E)
Special rates are available for some Veterans. See the Veterans’ Office in the Admission Center, or call 360.442.2393 for eligibility information.

Special Rates for Senior Citizens
If space is available after the first class meeting, Washington residents 60 or older may audit up to two classes for $2.50 per class plus $1.25 per credit facilities use fee and applicable lab fees.

Miscellaneous Fees
- Application: All new students are charged a $30 combined assessment and application fee. After two years of non-attendance, this fee will be recharged.
- Apprenticeship: $53 per credit; $3.49 per clock hour.
- Computer Lab: A fee of $22.90 per class is charged for certain classes identified in the course listing.
- Facilities Maintenance: The chart includes a fee of $1.25 per credit, up to 18 credits (max. $22.50), for facilities maintenance and College security.
- Fitness Center Upgrade: The chart includes a fee of $2.50/credit, up to 10 credits (max. $25), for fitness center upgrade.
- GED Testing: $120.00 for first time on all four. Re-testing: $30 per test.
- High School Completion: Courses taken to earn a high school diploma are $53.42 per credit for residents or $106.84 per credit for non-residents, plus a technology fee of $3.75/credit, facilities fee of $1.25/credit, tutoring center fee of $.50/credit and fitness center upgrade fee of $2.50/credit.
- Lab: Nonrefundable lab fees are collected for certain classes. Where applicable, this fee is shown with class listings in this schedule. Distance Education online courses require a Distance Ed fee of $6.00/credit (max 10 credits) for each course. Distance Education Hybrid and Enhanced courses require a Distance Ed fee of $3.00/credit (max 10 credits).
- Resident Excess Credit: Residents pay $96.26 per credit above 18 credits.
- Technology: The chart includes a technology fee of $3.75/credit, up to 12 credits (max. $45). A photo ID card, which serves as your activities card, library card and computer lab card, is issued as part of this fee. The ID card is NOT issued quarterly; it is valid as long as you are at LCC.
- Transcript: $10 fee for each official transcript.
- Tuition Deferment: Qualified students may purchase a tuition deferment for $35. While the fee is nonrefundable, $25 is applied toward tuition upon full payment.
- Tutoring Center: The chart includes a fee of $.50/credit, up to 10 credits (max. $5), to support the Tutoring Center.
- Vocational Excess Credit: Vocational students taking over 18 credits who meet certain requirements pay only $7 per credit (residents); non-residents over 18 credits pay $28.

Paying for College

Applying for Financial Aid

Who is eligible?
To qualify for Financial Aid you must:
• Have a high school diploma or GED
• Be a U.S. citizen or eligible non-citizen
• Be registered with the Selective Service (if required)
Other eligibility issues may be identified in the FAFSA process.

What financial aid is available?
Grants, loans, work study employment and scholarships are available to help cover college costs. Special aid programs are also offered for veterans, dislocated workers and first generation students.

How to apply
Students apply for financial aid online through the LCC website. Computers are available for student use in the Admissions Center. Priority deadlines are set for each quarter to allow 3-6 weeks for an application to be processed.

To receive financial aid, a student MUST complete the FAFSA
1. Review “7 Easy Steps to the FAFSA” at lowercolumbia.edu/finaid. To complete the application, a student will need:
   • Social Security Number.
   • Income statements, tax or estimated income tax, bank statement. Visit FAFSA to learn more.
   • LCC’s federal school code: 003782
2. Follow the instructions at www.fafsa.gov and complete the application.
3. Applicants should check their status at LCC’s Financial Aid Portal and upload any requested documents. Do this at lowercolumbia.edu/finaid. The applicant will use their Social Security Number and birth date (mm/dd/yy) to log in the first time.

How do I know if aid is approved? Get my money?
You will be notified of any financial aid awards through the Financial Aid Portal (see Step 3). Read your award notice carefully.

If you apply for Financial Aid and register for classes, we assume you are accepting your financial aid award. If you meet the priority deadline and qualify, your Financial Aid check will be mailed to you before classes begin.
If you decide not to attend, notify Financial Aid right away to cancel your award.
Review information about class changes or academic progress that might impact your award. Check with your advisor or at the Entry Center for support services to help you succeed in your classes.

Financial Aid Hours
Monday/Tuesday/Thursday 8 a.m. - 5 p.m.
Wednesday 11 a.m. - 2 p.m.
Friday 10 a.m. - 5 p.m.

Scholarships
Lower Columbia College awards over $250,000 in scholarships every year. The online process lets students apply for multiple LCC scholarships with a single application. There is no cost to apply.

Scholarships are based on varied criteria, including:
• Program of Study – Nursing, Art, Automotive, Chemistry, Education and more
• Merit – Based on GPA (usually 2.0 to 3.5) or demonstrated community service or leadership
• Need – Demonstrated financial need based on federal guidelines
• General – Qualify for general awards with broad, flexible criteria

These funds can be used to pay for tuition, student fees, books and supplies. Some awards will cover other expenses such as transportation or childcare.

LCC Scholarship Night
Thursday, January 22
6-7:30 p.m., Student Center
High school seniors and juniors and parents are invited. Learn how to find scholarships and how to write a good essay; plus other tips and tricks for Information will apply to any scholarship application with specifics about the LCC Foundation awards.

Delayed Tuition Payment Options
Need more time to pay your tuition? Here are three options:

Payment Plan: For a $30 fee you can enroll in a payment plan that charges your credit/debit card or bank account on a monthly basis. For information or to sign up, go to lowercolumbia.edu/costs-aid

Defer Your Tuition: Tuition is due the Friday after you register. You can defer your full tuition payment until December 30 by paying $25 of your tuition plus a $10 fee at the Cashier. Ask for a Tuition Deferment.

Waiting for your Financial Aid funds?
Apply for Financial Aid by the priority deadline (November 24 for Winter Quarter 2015). Students who meet the deadline are automatically held in classes until their financial aid is disbursed.

Students who miss the deadline, or who do not complete their file by the deadline, will need to pay their own tuition to stay enrolled.
The Lower Columbia Regional University Center, located in the Alan Thompson Library, provides convenient options for residents of Cowlitz County, and surrounding counties, to earn bachelor’s degrees without relocating or a lengthy commute. The goal of the center is to increase the number of adults with bachelor’s degrees in Cowlitz and Wahkiakum counties and the number of local professionals qualified to fill supervisory and management positions with area companies.

**Talk with a university advisor**
Whether you’re a current LCC student, a high school senior or a community college graduate, explore your options to earn a bachelor’s degree by talking with an advisor. To schedule an appointment, stop by the Center or call 360.353.7800.

Five highly-respected universities have partnered with LCC to provide bachelor’s and master’s degree programs. Advising staff and faculty are housed in the Center along with study areas and a high technology classroom designed to meet instructional needs, including WiFi access. The adjacent Learning Commons provides comprehensive library resources for students enrolled in the university partner programs.

**Welcome EWU’s Dr. Heidi Connole to the University Center**
Dr. Connole is Assistant Professor of Management and Director of College of Business and Public Administration Programs Longview for Eastern Washington University. She holds a PhD from Washington State University in Business Administration with an emphasis in Management. Previous positions have included Professor of Strategic Leadership at the U.S. Army War College in Carlisle, Pennsylvania, and implementation of the University of Idaho’s Executive MBA program. Her research has focused primarily on strategic leadership of organizations and most recently on sustainability issues including leadership among non-traditional populations.

TRANSFER STUDENTS
Save Time & Money At LCC

Students who begin a four-year degree at Lower Columbia College save tuition costs as well as room and board, if they live at home. Records show LCC students who transfer earn an average 3.34 GPA for junior and senior studies at Washington public universities.

The Associate in Arts Direct Transfer Agreement (AA-DTA) provides a smooth transition to upper division studies at a state public university. The new Washington 45 option allows LCC students to transfer after one year without losing any credits.

**Associate Degree Transfer Options**

Students who complete the AA-DTA at LCC are generally admitted with junior standing by all public universities in the state, some in Oregon and by most Washington private colleges. LCC also has agreements with bachelor degree-granting colleges for students majoring in business, engineering, education, science and other fields.

Community college transfer students made up 40 percent of the 20,499 graduates earning a bachelor degree from Washington public universities in 2011.

They graduated with virtually the same number of credits as students who started as freshmen at a university — an indicator of the smooth transfer between two-year and four-year colleges.

Transfer students graduated in all subjects, including:

- 47% of all business majors
- 46% of all health field majors
- 35% of all STEM majors (science, technology, engineering, and math)

The LCC Transfer Center hosts representatives from universities and colleges on campus each quarter to meet with students planning to transfer. The Transfer Club coordinates road trips to various colleges and universities.

For information about LCC transfer options and services for transfer students, visit: lowercolumbia.edu/transfer

### NEW Washington 45

A student who completes courses selected from the categories listed below will be able to transfer and apply up to 45 quarter credits toward general education requirement(s) at any other public, and most private, higher education institutions in the state.

**First Year Transfer List**

- **Communications** (5 credits) – ENGL& 101, ENGL& 102
- **Quantitative and Symbolic Reasoning** (5 credits) – MATH& 107, MATH& 148 or MATH& 151
- **Humanities** (10 credits in two different subject areas or disciplines) – PHIL& 101, MUSC& 105, DRMA& 101, HIST& 116
- **Social Science** (10 credits in two different subject areas or disciplines) – PSYC& 100, SOC& 101, POLS& 101, POLS& 202, HIST& 117
- **Natural Sciences** (10 credits in two different subject areas or disciplines) – BIOL& 100*, BIOL& 160*, ASTR& 101*, CHEM& 110*, CHEM& 121*, CHEM& 161*, CHEM& 162*, GEOL& 101*.
  *Natural Science lab courses.
- **Additional 5 credits** in a different discipline can be taken from any category listed above.

For transfer purposes, a student must have a minimum grade of C or better (2.0 or above) in each course completed from this list. Students who transfer Washington 45 credits must still meet the transfer institution’s admission requirements and eventually satisfy all their general education requirements and their degree requirements in major, minor and professional programs.

Learning Communities

Teamwork is a good approach to achieve success in sports, at work and in college. Lower Columbia College students who belong to study teams as part of a class or other organized program complete their courses and degrees more often and in less time than those who go it alone. The following programs of study are available this quarter for students who want to improve their chances of success at LCC.

I-BEST

Fast track to a college certificate & job

The Integrated Basic Education & Skills Training (I-BEST) program provides hands-on training for high demand job fields, with an extra instructor to help with reading, writing, math, speaking and listening skills in the same class.

You attend class with the same instructors and the same students to learn job skills and to earn college credit toward a certificate in one of six job fields. Students also spend 2-5 hours each week in study sessions with their classmates where they receive hands-on instruction dedicated to helping them succeed.

Business Technology

This 4-quarter certificate program prepares graduates to work in an office setting. All credits can be applied toward the two year AAS degree.

- **BTEC 104** Introduction to Business Technology
- **BTEC 111** Word Processing I
- **BTEC 148** Introduction to Outlook
- **BUS 104** Business Math Applications
- **CS 110** Microcomputer Applications

Health Occupations/Nursing Assistant

LCC’s Nursing Assistant program provides the content and experience to prepare students to take the State of Washington Nursing Assistant certification exam.

- **AH 104** Healthcare Foundations
- **AH 114** Healthcare Communication Skills
- **HLTH 100** Occupational Safety and Health
- **MEDA 101** Medical Vocabulary I
- **MEDA 102** Medical Vocabulary II
- **NURS 090** Nursing Assistant

Diesel/Heavy Equipment Technology

The Diesel/Heavy Equipment Technology program prepares students for careers in any industry that utilizes trucks, excavators, bulldozers, other heavy equipment, or industrial equipment utilizing diesel power and hydraulic devices. Graduates find work with truck and heavy equipment dealers, railroads, and marine operations using tug and fishing boats. You may also work in industrial maintenance, auto, and RV repair. Students also have access to private academic support classes meeting daily.

- **DHET 101** Electrical Systems I
- **DHET 102** Electrical Systems II

Manufacturing Occupations

Learn the basic skills needed for entry-level jobs. This certificate provides a strong foundation in production, machining and welding processes providing access to many jobs in industries that use machine tools and fabrication processes to produce goods. This certificate also provides courses that can be applied to more specialized degrees and certificates.

- **BLPT 150** Machinist Blueprint Reading
- **MASP 072** Machine Shop Support II
- **MASP 111** Machine Shop I
- **TECH 078** Pre-College Math I
- **TECH 079** Pre-College Math I
- **WELD 072** Welding Support II
- **WELD 105** Related Welding I

NEW! Medical Assistant

Students develop knowledge and skills necessary for employment in clinical and administrative-support areas of medical clinics.

- **MEDA 122** Law & Ethics for the Medical Office
- **MEDA 162** Examining Room Procedures II

Special programs coordinator Jill Yates will help each student register for the classes they need. Contact her at 360.442.2584 or jyates@lowercolumbia.edu
Developing Your Global Identity: Communicating Across Culture

Monday-Thursday 9:00-11:10 a.m.
Instructors: Nicole DiGerlando & Stefanie Neill

Explore how culture(s) impact(s) communication through language, behavior, media, power dynamics, perception, and identity components. This class examines the significance of social issues and obstacles surrounding groups and their ability to form identity based on historical context, gender, race, class, age and sexual orientation and how individuals confront these issues. We will discuss what intercultural communication is, how culture plays a significant role in the communication process, and how dominant culture and power influence various co-culture contexts. It will also explore the relationship between perception and stereotyping and its effect on intercultural communication.

What is Normal? Society by the Numbers

Monday-Thursday 1:20-3:20 p.m.
Instructors: Dawn Draus & Julie Suek

What does it mean to be “normal” according to statistics and society?
- Learn the predictive power of statistics and the role they play in decision making.
- Discuss the concepts of norms, both statistically and socially. Develop an understanding of norms and learn how a society creates, manages, and changes itself.
- Learn through a combination of lecture, small group activities, videos, and readings. This class is designed to work with students and their various learning styles.

Topics include: Race, ethnicity, gender, class, crime, gambling, probability, culture, health care, education, religion, economics, diversity, and family.

Earn 5 credits in social science and complete the quantitative skills and diversity requirements for your direct transfer degree (Associate in Arts – DTA).

## ONLINE LEARNING @ LCC

Online learning at Lower Columbia College offers flexibility for those with work, family and other responsibilities to complete college courses and even a degree without a regular commute to campus.

**Online** - Students complete all course work via the Internet.

**Hybrid** - Courses blend classroom sessions with online participation and learning. For example: students go online, read lessons, take a practice quiz; then come to a face-to-face class and practice what they learned online.

The online learning process requires the same commitment as a traditional course. Staying up with the class and completing all work on time is vital. Once a learner gets behind, it is very difficult to catch up.

The majority of LCC online and hybrid courses are facilitated through the learning management system, Canvas.

See If You Qualify for Special Funding for College

Special funding, in addition to traditional financial aid, is available to help pay college expenses for individuals seeking job training at Lower Columbia College. Current students, and others who want to train for a new job, can easily see if they might qualify through a new online tool.

Start Next Quarter
Take the 10-minute survey at www.startnextquarter.org to find out if you might qualify for special funding programs that help cover college expenses, including textbooks, transportation and childcare. If you pre-qualify, you can sign-up for an information session where you’ll learn about available funding programs, determine your eligibility and submit an application. You’ll also learn about:

- Available career training programs
- How to prepare for the placement assessments
- How to apply for federal financial aid (FAFSA)
- How to keep your unemployment or basic food benefits while in training

For help completing the survey, call the Workforce Services office, 360.442.2330, or stop by the Career Center for one-on-one support.

Worker Retraining
360.442.2334
Worker Retraining is a state-funded program that provides job-related training and employment services to dislocated and unemployed workers to help them gain additional training in their field or to get started on a new career. You may be eligible to receive additional funding to help pay for retraining tuition, books and fees or “jump-start” funding while waiting for financial aid approval. If you are currently receiving unemployment benefits, Worker Retraining staff will work with you to navigate the employment service programs available to the unemployed.

Opportunity Grant
360.442.2338
Unemployed or underemployed adults seeking a certificate or degree in a high demand career field, may be eligible for help to pay for college expenses under the Opportunity Grant Program. The grant provides individualized support services, along with funding for tuition and fees, books, and/or tools for up to 45 credits.

Basic Food, Employment & Training (BFET)
360.442.2332
In a partnership with Department of Social and Health Services (DSHS), Lower Columbia College offers opportunities for vocational education and career development to low income students who qualify to receive, or are currently receiving, federally-issued basic food benefits. While BFET does not provide tuition assistance, you may qualify for other assistance such as child care and food benefits. If you are currently receiving federally issued basic food benefits, BFET will allow you to continue to receive those benefits while attending school. As a benefits recipient, you will be required to participate in monthly career exploration activities with BFET staff.

What If It Snows?

LCC doesn’t operate school buses, so we may be open when local schools have closed due to ice, snow, or other conditions.

If the campus remains open during inclement weather, personal safety and good judgment are the foremost considerations. You decide whether to come to campus or stay home.

Here’s how to find out if campus is open or closed:

Emergency Text Notifications — Sign up to receive closure and other emergency information by text message on your mobile phone. Just text ‘follow LowerCC_Alerts’ to 40404. A confirmation will be sent to your mobile phone. You’ll receive emergency text messages as they are issued. Regular text messaging charges apply.

Media — Check local TV or radio stations. If the campus closes due to severe weather, the media will be notified by 6 a.m. for day classes, and 2 p.m. for evening classes. If the campus closes for any other reason, the media will be notified immediately.

Web — Check lowercolumbia.edu for current closure status. Emergency information will also be posted on twitter.com/lowercc and facebook.com/LowerColumbiaCollege

Telephone — Call the LCC Message Line at 360.442.2000.

Evening classes meeting once a week will take their final exam at the regular class time during finals week. Evening classes meeting more than once a week will take the final exam at the regular class time on whichever day during finals week the class agrees upon.

Students enrolled in online courses (DE section) are to contact their instructor for final exam information.

Students are not required to take final exams for more than two classes on a single day. If such a conflict arises, students are to contact their instructor to discuss alternative options. If no solution is determined after the initial meeting with the instructor, students may then petition the appropriate division dean. Arrangements must be made by the end of the 8th week of instruction. For assistance please contact the Office of Instruction by calling 360.442.2550. Exam priorities shall be based on class meeting day order first, then meeting time.

Final exams will be administered on the day designated on the final exam schedule. If a deviation from the scheduled day is desired, faculty must seek approval from the appropriate division dean. Time changes, unanimously approved by the class, are acceptable.

For any classes that conflict with other final exams please talk to your instructor for more information.

**Host an International Student!**

If you have a spare room and an open heart, you can provide a home away from home for an international student in our community. As a host, you’ll provide room & board and friendship for a student studying at LCC. You’ll learn about different cultures while sharing a slice of your American life. Host families come in all shapes and sizes and receive a monthly stipend. For more information, visit lowercolumbia.edu/international or email international@lowercolumbia.edu

Buying Your Books

The Lower Columbia College Bookstore makes it easy for you to get your textbooks. Here’s how:

• Stop by the Bookstore (in the Student Center) with your schedule and the staff will find your books for you. Some used books are available for most courses so, if possible, shop early. Students now have the option of renting many of their books as well.

• Buy books online at lowercolumbia.edu/bookstore and pick them up in-store or have them shipped to your home. Textbooks will be available online beginning November 26.

Bookstore Hours

Monday-Thursday 7:30 a.m.-4:30 p.m.
Friday 7:30 a.m.-2:00 p.m.
*We will be open until 6 p.m. on January 5th and 6th.

Cooperative Education

LCC’s Cooperative Education Program enables students to earn college credit through supervised, work-based learning experience. This program integrates theories, concepts, and methods studied in the classroom with practical skills gained in the workplace. Students may earn one credit for every 33 hours of approved work experience. There is a limit of 1-5 credits per quarter, depending upon specific degree requirements.

To enroll in a Cooperative Education program, students must have prior permission from an instructor in the appropriate program and the Workforce Services Manager, Dani Trimble. For more information, contact Dani at 360.442.2622, email dtrimble@lowercolumbia.edu or stop by the Career Center, Admissions Building 120.

Cooperative Education 288 students must attend a mandatory orientation either 4-5 p.m. or 5:30-6:30 on December 11, 2014. Orientations will be held in the Career Center, located in the Admissions Building, room 120. Cooperative Ed 288 students must also enroll in a 1-credit Cooperative Education 289 seminar. The seminar focuses on work-related topics that complement the student’s work-based learning experience. The seminar meets weekly on Thursdays from noon until 1 p.m. in the Main Building (MAN), Room 149. A $13.70 lab fee will be charged for all 288 classes.

Community Celebrates Building A Healthy Future

LCC faculty, staff, retirees and students were joined by 1,200 community members September 19 and 20 to celebrate the opening of the new Health and Science Building. Photos (clockwise from left): Chemistry Instructor Adam Wolfer shares an experiment with visitors; simulator mannequins for nursing students greet guests to the nursing lab; future scientists explore new fields at OMSI and Mount St. Helen’s Institute sessions; former LCC President Jim McLaughlin and wife Chris help dedicate the McLaughlin Community Resource Center; Paul Laufman, LCC Class of 1958, presents the first lecture in the Laufman Lecture Hall, and young visitors get an up-close look at reptiles.

Individualized Certificate

The Individualized Certificate Program (ICP) provides an option for students to participate in a specialized training program combining LCC courses and a cooperative work experience with a local employer. Students will be expected to attend a classroom seminar to build a career portfolio while learning to conduct informational interviews with professionals in their field. Students will learn how to search for future employment and build an employment portfolio. Students may earn a Certificate of Proficiency (45+ credits) by completing all credit requirements established for their specialized program. For more information please contact the Workforce Services Manager, Dani Trimble, at 360.442.2622 or email dtrimble@lowercolumbia.edu

Math classes at LCC are offered in three different formats to meet a variety of student needs:
- Standard math classes, where a lecture is presented and homework assigned.
- Online classes.
- Math Achievement Center classes, where students work on their own with the assistance of tutors and an instructor. See the next page.

It is very important that students take the Placement Assessment before enrolling in math classes. This test helps to ensure that any prerequisites are met and that students enroll in the proper level of mathematics. The Placement Assessment is given in the Entry Center. Call 360.442.2311 for more information.

Online homework and electronic textbook for all MATH 078/079, 088/089, 098/099, 141, 142, 153, and 210 provided by Pearson Education. To resolve technical problems, please contact Technical Support for MyLabsPlus at 1.888.883.1299 or helpdesk@lowercolumbia.mylabsplus.com

Please note: All mathematics prerequisites must be met with a grade of C or better. See your advisor or refer to the LCC catalog for more information.

Nursing

The Lower Columbia College Nursing Program is committed to providing excellence in nursing education that encompasses critical thinking, competencies in the role of provider of care, manager of care and member in the discipline of nursing, with an emphasis on life-long learning. Nursing is a demanding and rewarding profession that requires strong communication skills, excellent problem-solving abilities, focused concentration when performing a task, attention to detail, the ability to work well with others, and extensive knowledge of the sciences.

Students interested in a nursing career can find information about LCC’s nursing programs at lowercolumbia.edu/programs. Students who have been admitted to the nursing program should contact their advisor for course and registration information.

Nursing Assistant (NURS 090) is an 8-credit course that provides students the content and experience to give basic nursing care to patients under the supervision of a licensed nurse. Please contact Bev Ylen, Nursing and Allied Health Program Assistant, 360.442.2860 for course information and to register.

**Working For Success**

Cowlitz and Wahkiakum counties have long lagged behind state averages in both employment rates and wages. With the development of the Lower Columbia Business and Industry Center, LCC has made a commitment to increase economic prosperity in the region through corporate training programs that serve incumbent workers in our local workforce.

LCC Offers New High School Diploma Program For Adults

Adults, age 21 and older, have a new, low-cost option to earn a high school diploma through a program now available at Lower Columbia College. The HS21+ program is a comprehensive, competency-based approach tailored to adult learning styles, with both day and evening classes on campus and in the community.

Students earn credit toward a high school diploma both through classroom studies and by demonstrating knowledge gained in the workplace, life experiences and military service. Previous high school and college studies also count.

LCC instructors and staff assess students’ experiences to measure any gaps in education and work readiness and then create a plan to help them complete studies needed for their diploma.

HS21+ students are eligible for the Basic Skills tuition rate of $25 per quarter for classes needed to earn a diploma. Students may begin studies at any time. To get started, contact the Transitional Studies Department at 360.442.2580.

LCC began offering the HS21+ program in Summer 2013. Since then, over 120 students have completed studies to graduate with their high school diploma. Even better, many graduates have continued on to college studies.
continuing education

Continuing Education at Lower Columbia College assists individuals and employers to meet their personal and professional education and training needs by offering non-credit classes to the community. These classes are offered both on-site and online, to accommodate the needs of our students.

Business & Professional Development

LCC offers a variety of services supporting workforce development and customized training through the Continuing Education Department. Working with area businesses, industries and agencies, LCC offers Work Keys profiling and assessment services to provide employers, employees and job seekers with direct information regarding the skills needed to succeed in various jobs. Employees and job seekers can measure their skills and compare them to skill profiles for specific jobs. Follow-up training using Key Train and other tools is available.

Employees and job seekers can document skill proficiency by taking the three assessments on the National Career Readiness Certificate (NCRC) – Applied Mathematics, Reading for Information and Locating Information. The NCRC is a portable, evidence-based credential that certifies essential skills needed for workplace success. LCC also offers computer skills testing, typing tests and other tests to measure the skill level of employees and applicants.

Support for companies looking for specialized training is also available. LCC frequently works with employers to provide or arrange customized training in a variety of areas, including job-specific Spanish language courses, quality assurance, business computer applications, customer service, and other areas critical to organizational success.

From Co-Worker to Supervisor — What You Need to Know

Today’s supervisor is usually a top performer who gets promoted with little or no training on how to be an effective supervisor. This series will provide new and/or potential supervisors a solid foundation to build their leadership abilities.

Accounting Fundamentals
Demand for accounting professionals currently exceeds supply. If you’re interested in increasing your financial awareness while also gaining a marketable skill, this course is for you. You’ll learn the basics of double-entry bookkeeping, as well as how to analyze and record financial transactions. You’ll get hands-on experience with handling accounts receivable, accounts payable, payroll procedures, sales taxes, and various common banking activities. We’ll cover all the bases, from writing checks to preparing an income statement and closing out accounts at the end of each fiscal period. Whether you’re a sole proprietor looking to manage your business finances or you simply want to gain an understanding of accounting basics for career advancement, this course will give you a solid foundation in financial matters. Register at www.ed2go.com/lccbic

Jump-Start Your Career with LinkedIn
Did you know that 95% of all job opportunities aren’t made public? Did you know that most people get their jobs through their “connections”? Whether you already have an account and you haven’t taken advantage of it yet, or you’re just beginning to think about signing up, this course will give you the knowledge you need to succeed with LinkedIn. You’ll get hands-on experience with this powerful tool as you build your own career network. You’ll learn how to create a profile that shows your professional achievements off to their best advantage, and you’ll gain techniques for deepening and expanding your business contacts. You’ll also learn how to incorporate LinkedIn into your overall job-search and career development strategy, including traditional methods such as calling, letter writing, email etiquette, in-person interviewing, as well as some of the newer media, including text etiquette and social media do’s and don’ts. There’s even a lesson to help you if you’re a creative professional who doesn’t fit the everyday mold. Register at www.ed2go.com/lccbic

Protect Your Money, Credit, and Identity
In these lessons, you’ll see how to spot the scams and rip-offs that can cost you money or ruin your credit. You’ll explore threats including identity fraud, Internet and credit card scams, and deceptive service contracts. If you’re planning to buy land or a home, you’ll learn to avoid real estate scams—and if you’re buying a car, you’ll get the inside story on car dealers’ tricks. By the time you finish this course, you’ll be prepared to protect your credit score, your identity, and your bank accounts. In addition, you’ll have the legal know-how you need to make mortgage holders, credit card companies, and debt collectors play by the rules. Register at www.ed2go.com/lccbic

**Career Related Learning Experiences**
360.442.2610
Career Related Learning Experiences are a great opportunity for students to gain valuable experience in the field that they are most interested in pursuing. There are several ways that Career Related Learning Experiences can help you succeed, including:
- Company Tours
- Job Shadows
- Career Fairs
- Informational Interviews
- Internships/Project Support

The job-related knowledge, hands-on experience and support that you can gain when participating in these experiences can help you make informed decisions about your future.
GENERAL INFORMATION

■ ADVISING
New students may contact entry advisors daily through the Entry Center in the Admissions Center. Returning students should contact their advisors at lowercolumbia.edu/directory or the Entry Center if they have questions. 360.442.2311 entry@lowercolumbia.edu

■ CAREER AND EMPLOYMENT SERVICES
Assess your interests, explore careers, research training, find openings in your field, and get help with career planning in the Admissions Center. 360.442.2330 lowercolumbia.edu/careercenter

■ CHILD CARE/PRESCHOOL
Child care for children, one month to six years, is available for LCC students, staff, faculty, and community members in Home and Family Life. Children are cared for in a quality environment while learning skills and concepts based on best practices and current research in Early Childhood Education. 360.442.2890

■ COOPERATIVE EDUCATION
Contracted work experience related to a degree or certificate program coordinated with the employer, instructor/coordinator, and student to meet specific learning objectives. See page 21 for classes.

■ COUNSELING CENTER
Counselors help students with academic, personal, and crisis situations. Find out about student success groups too. 360.442.2311

■ DINING
Student Center Café: 8 a.m.–1:30 p.m. Monday–Friday; Espresso Bar: Opens 7:30 a.m. Monday–Friday.

■ DISABILITY SUPPORT SERVICES
If you have a disability, the Disability Support Services Office in Admissions Center Room 143, may be able to provide reasonable accommodation, arrange auxiliary aids, advising, admission, registration, referrals, counseling, educational and vocational planning and voter registration. 360.442.2341 lowercolumbia.edu/disability

■ FINANCIAL AID
Apply early for financial aid; processing takes 3-6 weeks. Priority Application deadline for Winter is November 24. Details on page 7. 360.442.2390 lowercolumbia.edu/finaid

■ GED TESTING
GED testing at LCC is now all computer based. What does this mean for you?
• Register, schedule, and pay online 24/7
• Get your test results immediately
• Computer based testing has a higher pass rate versus paper testing: 88% vs. 71%

LCC now offers the 2014 GED series. Go to GED.com to sign up for your exam!

■ INSURANCE AVAILABLE TO STUDENTS
LCC offers an accident and sickness insurance plan designed for students. Brochures are available in the Admission Center.

■ LEARNING COMMONS AND LIBRARY
Hours: Monday–Thursday: 7:30 a.m.–7 p.m.; Friday: 7:30 a.m.–4 p.m.; Saturday: 10 a.m.–2 p.m.

■ PLACEMENT ASSESSMENT
Students enrolling in degree/certificate programs must take a placement assessment in reading, writing, and math. Placement assessments are offered in the Admissions Center testing lab, open 8 a.m.–5 p.m. Monday–Thursday. Testing takes approximately 3 hours and is done on a drop-in basis; no appointment necessary. The cost is included in the $30 new student fee. 360.442.2353

■ RUNNING START
High School juniors and seniors may be eligible to take college classes for credit toward both their high school diploma and their college degree program. Advance planning is required. 360.442.2352

■ TECH PREP/CAREER PATHWAYS
High school students can take specific high school courses and receive credit toward both their high school diploma and LCC degree. See your high school counselor for details.

■ TUTORING SERVICES
Tutoring Services provides one-on-one and small group sessions in nearly every discipline. Tutors can assist with specific course content, plus general study skills, such as time management, lecture note-taking and textbook reading. Tutoring is offered in the Learning Commons: Monday–Thursday 7:30 a.m.–6 p.m., Friday 7:30 a.m.–4 p.m., Saturday 10 a.m.–2 p.m. lowercolumbia.edu/tutoring

■ WITHDRAWAL
If you leave a class without completing it, withdraw or arrange an “incomplete” with your instructor in order to avoid receiving a poor final grade. Forms and information are available in the Registration Office. Check withdrawal deadlines on page 4. If your class ends before the end of the quarter, you may withdraw through the last day of instruction for that class.

■ WORKER RETRAINING
For dislocated workers and others seeking employment, training orientations are offered from 1:30-2:30 p.m. every Monday (except holidays), Admissions Center, Room 120. 360.442.2330 workerretraining@lowercolumbia.edu

Need help paying for college? We’ve got an App for that!

The Lower Columbia College Foundation awarded over $250,000 in scholarships this year to LCC students. Scholarships may be based on your field of study, community service, talents in music and theatre, or high school affiliations, as well as financial need and grades.

Apply for multiple awards for 2015-2016 with one online application available starting February 2015.

Thanks to the generosity of more than 100 businesses and community members, motivated LCC students can find the resources to complete their degrees, get a job, and become scholarship donors themselves.
