American Indian or Alaskan Native. A person with origins in any of the original peoples of North America and who maintains cultural identification through documented tribal affiliation or community recognition.

Asian or Pacific Islander. A person with origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. For example, China, Japan, Korea, Pakistan, the Philippine Republic, and Samoa.

African-American / Black. A person with origins in any of the Black racial groups of Africa.

Hispanic. A person of Mexican, Puerto Rican, Cuban, Central or South America or other Spanish culture or origin regardless of race. This category does not include persons from Portugal, who should be classified according to race.

Caucasian / White. A person with origins in any of the original peoples of Europe, North Africa, or the Middle East.

Disabilities. For Affirmative Action purposes, people with disabilities are persons with a permanent physical, mental, or sensory impairment which substantially limits one or more major life activities. Physical, mental, or sensory impairment means: (a) any physiological or neurological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the body systems or functions; (b) any mental or psychological disorders such as mental retardation, organic brain syndrome, emotional or mental illness, or any specific learning disability. The impairment must be material rather than slight, and permanent in that it is seldom fully corrected by medical replacement, therapy or surgical means.

Vietnam-era Veteran. An applicant who: (a) served on active duty for a period of more than 180 days, and was discharged or released with other than a dishonorable discharge, if any part of such active duty occurred (1) in the Republic of Vietnam between February 28, 1961 and May 7, 1975 or (2) between August 5, 1964 and May 7, 1975, in all other cases; (b) was discharged or released from active duty for a service-connected disability if any part of such activity was performed during the time and places specified under (a).
